INTRODUCTION

Modoc County is a land of rugged lava plateaus, fertile valleys, and immense mountains. The land area covers 3,944 square miles or about 2.5 million acres. The terrain is mountainous with high-desert vegetation and timber; numerous valleys or basins are suited for agricultural use. Predominant geographic features include the Modoc Plateau, Warner Mountains, and Surprise Valley with three often dry alkaline lakes. Public lands comprise a large percentage of land ownership.

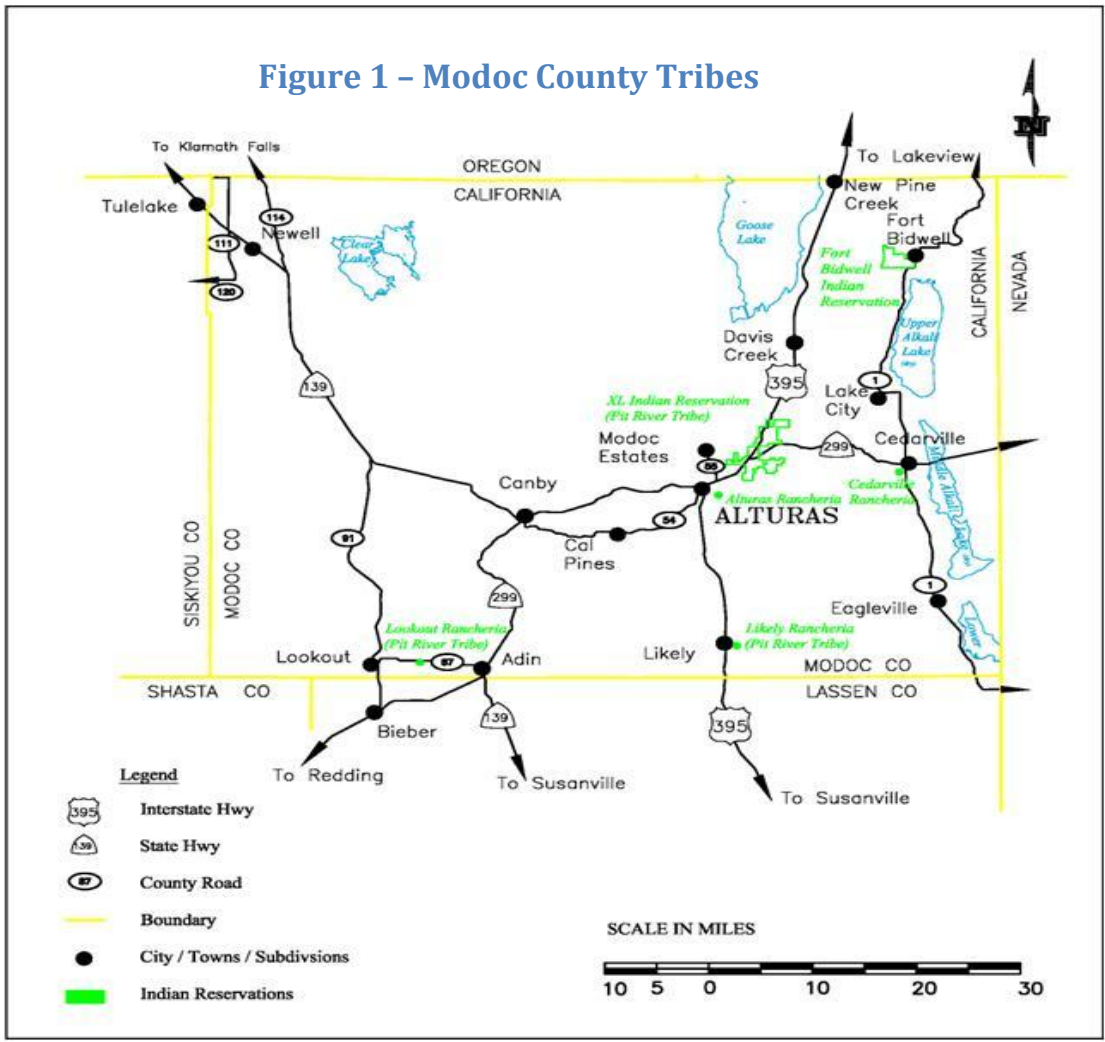

There are five general land-use categories within the Modoc region: residential, commercial, industrial, agricultural, and public/quasi-public holdings. Agricultural lands comprise a large use within the county.

The population of the county is among the smallest in the state ranking 56th of the 58 counties. The Department of Finance estimated population for Modoc January 1, 2022, was 8,690; this equates to about 2.41 persons per square mile; the statewide average is 241.10 people per square mile. This is an increase from the January 21, 2021, population of 8,606.

The regional personal income statistics are comparatively lower than state average trends and local unemployment levels of 5.1% in December 2021 which is lower than the statewide unemployment rate of 6.5%.

The City of Alturas is the County Seat and the only incorporated city in Modoc County. The unincorporated communities include Fort Bidwell, Lake City, Cedarville, and Eagleville along the east; Newell in the northwest, Canby, Adin, and Lookout to the southwest, Likely in the southeast and Davis Creek in the northeastern part of the county. Many of these communities are located along the State Routes 139, 299, and US 395 in Modoc which serve as main streets. Elevation and temperate ranges and annual precipitation are shown below. Please see Figure 1 for an area map.

Elevations Day Bench 3500 ft Fable Peak 9934 ft	Temperatures Lows 16 ° F Highs 88 ° F	Annual Precipitation 9-16" valleys up to 35" mountains
--	--	---

There are 6 Federally recognized tribes in Modoc County as shown in Figure 1. MCTC coordinates and consults with these tribes throughout the year. The Pit River XL Tribe has expressed interest in an MOU with MCTC for consultation regarding ancestral lands. The Cedarville Indian Rancheria (CIR) is interested in partnering with the City of Alturas to jointly fund some City STIP street projects.

BACKGROUND

Regional transportation planning is integrated involving all regional stakeholders (agency representatives from Federal, tribal governments, State, City and County agencies and the private sector) working together to improve mobility. Many simultaneous and consecutive plans, programs, goals, and objectives occur over different periods of time within the region. The Overall Work

Program (OWP) identifies planning activities and funding to implement goals and objectives during a 12-month fiscal year period (beginning July 1- and ending June 30 of the following calendar year).

The program outlines transportation activities for decision making, partnering, coordination, public participation and financing of plans and programs through work elements and scope of work. The OWP defines the annual scope of work and estimated costs tied to specific funding using four core Work Elements (WE) 7001 through 7004; work on Modoc County Transportation Commission (MCTC) policies (an on-going effort to develop and update policies and procedures), has been incorporated into WEs 7001 and 7003. One of the core products of the OWP is the Regional Transportation Plan (RTP). The OWP and RTP are consistent with federal and state planning goals, programs, plans and objectives; it represents a unified approach of the regional transportation (multimodal) network.

Some of the transportation plans (OWP and RTP), programs, and projects are interlinked including these key programs:

- Regional Transportation Improvement Program (RTIP)
- State Transportation Improvement Plan (STIP)
- Federal State Transportation Improvement Program (FSTIP)
- State Interregional Transportation Improvement Program (ITIP)
- State Highway Operation and Protection Program (SHOPP)

ORGANIZATION

The Modoc County Transportation Commission (MCTC) was created by the Transportation Development Act (TDA) and established by resolution of the Modoc County Board of Supervisors in 1972. The MCTC governing board consists of six regular and two alternate members; three regular and one alternate member are appointed each by the County of Modoc (County) and City of Alturas (City).

The MTA/Sage Stage governing board was established in 1997, specifically to operate public transit through a third-party contract operator. Although the MCTC and the MTA are separate and distinct entities, the composition of their governing boards and management staff includes the same persons or appointees. The MTA has been designated as the Consolidated Transportation Service Agency (CTSA) as defined by the TDA.

Three employees staff the offices and handle the day-to-day operations for the two separate local transportation entities. These positions include the Executive Director, Chief Fiscal Officer, and Executive Assistant Secretary. All operations are supported by dedicated transportation funding and grants from federal, State, and local transportation programs. State Rural Planning Assistance funds provide for transportation planning activities within the region and fund most of the work outlined in the OWP.

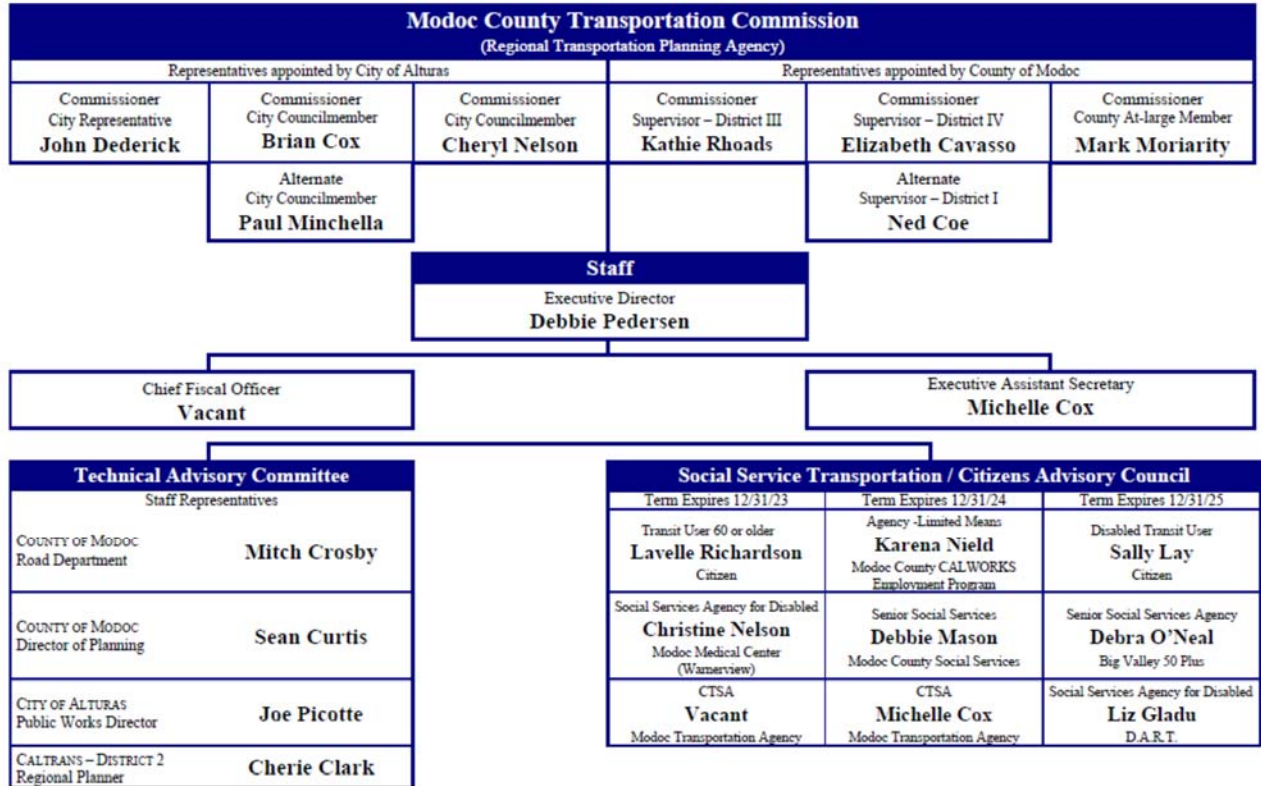

The Modoc Technical Advisory Committee (TAC) consists of representatives from related City and County road and public works departments, county planning Commission, and Caltrans District 2 staff. The TAC meets prior to each MCTC meeting to review and comment on the MCTC meeting agenda, report on the status of State Transportation Improvement Projects (STIP), and to provide input relative to their respective agency. The TAC provides technical assistance to the Commission and staff in various matters and activities relating to specific programs and projects.

The Social Service Transportation Advisory Committee (SSTAC) helps ensure broad citizen participation, assists with the annual Unmet Transit Needs Finding and subsequent MCTC TDA allocations. The SSTAC is a “mechanism to solicit input of transit dependent and transit disadvantaged persons, including the elderly, handicapped and persons of limited means.” Per legislative intent, the SSTAC also serves as the Citizens Advisory Committee (CAC) to facilitate community and public input during regional transportation planning activities. Data and input

gathered or updated annually are used to inventory existing public and social service agency transportation services, facilitate coordination of services, and to identify area gaps and needs.

The MCTC organization chart is displayed in Figure 2.

Figure 2 – Organization Chart

OVERALL WORK PROGRAM

MCTC is responsible for on-going administration and regional transportation planning based on the “3Cs” expressed in federal transportation law: continuing, cooperative, and comprehensive. Transportation goals and objectives are considered during the planning and programming processes. Each federal reauthorization specifies planning factors to guide continuing, cooperative, and comprehensive transportation planning, as on-going activities rather than a single completed action. Typically, federal agencies encourage planning organizations to focus work activities on broad planning objectives as relevant to their respective regions and local communities. State and local interests align with those objectives by providing common ground for shared approaches. It is noted that MCTC receives State Rural Planning Assistance funds (no federal funds) and uses the federal planning factors to develop planning goals consistent with our rural needs.

MCTC participates in area task force meetings, is a member of the North State Super Region, and ongoing government to government relations with our tribal governments in the region. The primary regional transportation concerns are to preserve, rehabilitate and improve safety on existing transportation facilities, and to coordinate project sequences and transportation services to maximize efficiency and effectiveness of all available funding.

REVENUE SOURCES

The FY 2023/24 Overall Work Program for the Modoc region uses total funding of \$220,000. The anticipated revenue sources are described by fund source below and amounts are included in Tables 1 and 2. This OWP is financed using a combination of State funding sources identified below, which are approved / revised by separate MCTC resolution:

Rural Planning Assistance funds - Provided by subvention through Caltrans, Rural RPA funds are estimated to be \$6.5 million, pending adoption of the State budget. RPA funds are available for specific eligible uses on a reimbursement basis with a maximum twenty-five percent (25%) carryover allowed between fiscal years.

State Transportation Improvement Program (STIP) Planning, Programming, and Monitoring (PPM) funds – The Commission may use up to five percent (5%) of its Regional Improvement Program (RIP) share for eligible PPM activities associated with the STIP requirements. MCTC provides support to the City and County for preparing Project Study Reports for STIP projects. In addition, these funds are utilized to support region wide transportation planning efforts (RTP, pavement management systems, etc.).

*Planning Factors as defined in current the Federal Highway Act (FAST Act) and are included in Appendix C. Please Note: MCTC receives RPA State Funds and no Federal Planning Funds because we are a rural RTPA.

Work Element 7001 - OWP Development

Purpose

1. Provide for efficient and effective administration and implementation of the Overall Work Program.
2. Support the Modoc County Transportation Commission (MCTC), committees, and advisory groups; keep the public informed on transportation matters.
3. Manage the following: MCTC personnel, financial, and organizational policies, and procedures; daily operations and ensure compliance with applicable laws, rules, and regulations.
4. Manage, support, and maintain direct charges to all work elements and regional transportation planning processes.

Previous Tasks

Prepared the FY 2022/23 OWP/PPM Annual Budget; monitored revenues and expenditures, prepared materials for MCTC and TAC meetings, reviewed and approved OWP agreements, amendments, reimbursement requests, maintained organizational charts for MCTC and Committees and attended transportation planning workshops, meetings, and staff training.

Ongoing Tasks

- a. Prepare the OWP/PPM Annual Budget, draft and final OWP for upcoming year, and final expenditure report.
- b. Monitor expenditures and revenues in relation to the budget; prepare and manage MCTC RPA and PPM financials, reimbursement requests, and assess the need for amendments. OWP and PPM charges and revenues are tracked separately.
- c. Prepare agendas, minutes, legal notices (including publication costs), and staff reports for MCTC, TAC, and MCTC Committee meetings and workshops.
- d. Prepare correspondence, resolutions, and reports to communicate MCTC policies and procedures.
- e. Maintain the organizational charts for MCTC and MCTC Committees.
- f. Attend transportation planning workshops, meetings, conferences, including related staff training.

Work Element 7002 – Public Participation and Interagency CoordinationPurpose

1. To encourage involvement and feedback during the continuous regional planning process, and to ensure compliance with State and federal requirements; and
2. To coordinate regional transportation planning through consultation and collaboration in these ways:
 - a. Integrate local land use and regional transportation planning.
 - b. Promote cooperation among regional, State and Federal agencies to enhance transportation planning; consult and coordinate with Caltrans, neighboring jurisdictions, and agencies to undertake transportation planning studies (e.g., corridor studies, project study reports, special studies, coordinated research, etc.).
 - c. Coordinate and consult with regional goods movement and freight providers.
 - d. Coordinate and consult with regional bicycle groups and promote walkable communities.
 - e. Review local agency goods movement and freight planning policies.
 - f. Work with partners to enhance movements of people, goods, services, and information.
 - g. Coordinate local transportation services with regional and interregional providers to improve connections, interregional mobility, and access to basic life activities.
 - h. Consult with and consider interests of community, Native Americans (individuals), Tribes (sovereign nations), Latino groups, and all under-represented groups.

Previous Tasks

Prepared and published workshop and meeting notices for the Main Street Committee public outreach, documented communication files to monitor related inquiries, monitored Brown Act changes due to COVID restrictions, monitored, and attended City Council and County Board of Supervisor meetings for transportation related items, and provided information to public, organizations, and agencies regarding transportation related topics. Participated in the following meetings: Rural Counties Task Force, North State Super Region, DEAL East., District 2 Planning, Modoc CAPM PDTs, and other workshops.

Ongoing Tasks

- a. Prepare and publish workshop notices and maintain on-going communication elements.
- b. Continue coordination with goods movement industry and review and comment on plans and documents.
- c. Regularly consult and coordinate and communicate with Tribal councils, disadvantaged and ethnic communities, and organizations to maintain good working relationships.
- d. Attend Project Development Team meetings for District 2 SHOPP projects and Clean California Program funded project(s).
- e. Administer public notification in accordance with the Brown Act. Attend training for the Act to maintain compliance.
- f. Monitor local government and agency meeting agendas (City Council, County Board of Supervisors, social service agencies, Tribal Councils); attend meetings for topics related to regional transportation and multimodal issues. Document outcomes.
- g. Participate in local economic development meetings to help integrate transportation and community goals for land use, economic vitality, social welfare, and environmental preservation.
- h. Provide information and documents about regional transportation issues to interested parties and organizations.

- i. Prepare newspaper articles, press releases, display ads and other informational materials related to project planning, workshops, program development, preparation of RTIPs, etc.
- j. Use partnerships, collaborations, and consultation to identify and implement policies, strategies, programs, and projects to enhance regional movements of people, goods, services, and information.
- k. Participate in Rural County Task Force (RCTF), Regional Transportation Planning Agency (RTPA) group, District 2 RTPA Task Force and DEAL East meetings and other workshops, as reasonable and feasible.
- l. Consult via regional, state, and federal policy and technical advisory committees.
- m. Participate in relevant coordination training, workshops, and conferences.
- n. Serve as local clearinghouse for transportation funding opportunities – grants and programs.
- o. Assist transportation planning, programming, and monitoring activities for specific RTIP projects.

Work Element 7003 - Regional Transportation System Management

Purpose

1. Determine and establish policies, safety needs, deficiencies and multimodal improvement programs for streets, roads, and highways in the region, coordinating with local transportation partners and Caltrans, particularly District 2 staff, and functional units including project coordination meetings and attend project development team meetings.

Previous Tasks

Coordinated with Caltrans District 2 on outreach for Main Street Design Committee; managed and maintained the Pavement Management System. Performed outreach and supported multimodal improvements. Reviewed RTP consistency with agency’s plans and programs. Assisted transportation partners (City, County, and Lake Rail) regarding funding programs and transportation grant applications. Participated as a stakeholder for the Modoc County Local Road Safety Plan.

Ongoing Tasks

- a. Review RTP consistency with plans and programs.
- b. Consult extensively with shareholders and the public, including outreach to targeted minority groups, regarding regional transportation projects.
- c. Meet with local agencies regarding their efforts to maintain and improve airports, including annual visits, and monitor maintenance of and improvements to general aviation facilities within the region.
- d. Consult with Tribal Governments and advisory groups for various transportation plans and projects. Meet with Cedarville Indian Rancheria to discuss projects in the region.
- e. Meet with County of Modoc Road and Planning Departments, City of Alturas Public Works, Caltrans, Tribal Governments, transportation providers, and stakeholders.
- f. Manage the Pavement Management System.

Products	Due Dates
Meeting agendas for committees related to b, e, and f, above.	Ongoing as needed

Work Element 7003.2 - Regional Transportation Improvement Program

Purpose

1. To develop the RTIP following the CTC's Fund Estimate
2. Assist Agencies in project delivery, STIP amendments/allocations, and monitor timely use of funds.

Previous Tasks

Assisted agencies with STIP Amendments and Time Extensions. Adopted the 2020 RTIP and submitted it to the CTC for inclusion in the 2020 STIP. Attended the CTC Workshops regarding timely use of funds modifications and COVID Relief Funding. Submitted a letter to the CTC regarding not programming any new projects in the 2022 RTIP due to reduced county shares.

Ongoing Tasks

- a. Assist agencies with STIP Amendments and Time Extensions.
- b. Attend CTC workshops to discuss the Fund Estimate.
- c. Attend Coordination meetings with District 2 for potential partnership projects.
- d. Support the development of Project Study Reports, STIP Amendments, monitor timely use of funds.
- e. Conduct interagency and public outreach during the development of the RTIP.
- f. Facilitate interagency collaboration to identify and develop new projects, explicitly integrating environmental considerations for efficient and timely project delivery.
- g. Participate during CTC, Caltrans HQ and D2, RCTF, NSSR and RTPA group meetings / workshops regarding RTIP / STIP preparation, adoption, guidelines development, project criteria, etc.
- h. Coordinate with CTC staff to process STIP amendments and assess funding options; support agency projects and address project issues.

Products	Due Dates
TIP/STIP amendments, allocation requests, time extensions, etc.	Ongoing; As needed
Review the draft and final Fund Estimate	June-Aug 2023
Set targets for agencies; review programming documents for consistency with STIP Guidelines	June-Sept 2023
Adopt the 2024 RTIP and submit to the California Transportation Commission	By Dec 15, 2023
Manage adopted STIP - Timely use of funds, allocations, etc.	Ongoing

Work Element 7004 - Multimodal and Public Transportation

Purpose

1. To review and comment on various projects for transportation impacts.
2. Ensure consistency with the Regional Transportation Plan.
3. Coordinate among public, private, Tribal, and social service transportation providers to support regional mobility.
4. Continuity between the Modoc Public Transit / Social Services Transportation - Coordination Plan document and the Modoc Regional Transportation Plan (RTP) document.

Previous Tasks

Updated the Coordinated Public Transit – Human Services Transportation Plan December 2019 and posted it to the MCTC website. Provided Lake Rail’s dba Goose Lake Rail application for and award of a Short Line Rail Improvement Program grant. Provided support for the Modoc County’s Alternative Transportation Plan grant application. Investigated the viability of a Bicycle Transportation Plan; Modoc is a small rural area. The climate is not conducive for bicycle commuters about 7-9 months of the year (high terrain, low winter temperatures, snow, ice, etc.). ATP and Bicycle projects are in the 2019 Modoc RTP. Updated the Transit Asset Management Plan.

Ongoing Tasks

- a. Continue to support regional agency’s efforts to enhance bicycle and pedestrian options; provide RTPA support for local agency grant applications/projects.
- b. Monitor activities related to non-motorized transportation (bicycle, pedestrian, and transit), general aviation airports within the region, and rail transportation plus ancillary activities, including railroad museum and support *Rails to Trails* initiatives and provide information on grants that may be beneficial to related agencies.
- c. Revise and circulate surveys; assess existing and proposed services regarding public transportation, and multimodal needs. Update the Transit Asset Management Plan.
- d. Attend community meetings to discuss and promote multimodal options.
- e. Identify funding opportunities to support multimodal opportunities, community transportation, planning, and coordination of regional transportation services.
- f. Provide information to local partners about Alternative Transportation Program (ATP) funding cycles. Conduct outreach to community bicycle groups to promote and foster partnerships. Work with public health departments to support walkable communities.

Products	Due Dates
Support letters, resolutions, and assistance for agency’s multimodal grant applications	On-going, as needed
Complete surveys and utilize the information in transportation plans and services.	On-going, as needed
Update the Transit Asset Management Plan	Dec 2023
