### Limited English Proficiency (LEP) Plan

#### Introduction

This Limited English Proficiency (LEP) Plan has been prepared to address the MCTC's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, Federal Transit Administration Circular 4702.1A dated May 13, 2007, which states that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled Improving Access to Services for Persons with Limited English Proficiency, indicates that differing treatment based upon a person's inability to speak, read, write, or understand English is a type of national origin discrimination. It directs each federal agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds.

#### Plan Summary

MCTC is the regional transportation planning agency for Modoc County. MCTC has developed this LEP Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency who wish to access services provided by MCTC. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write, or understand English.

This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

To prepare this plan, MCTC undertook the U.S. Department of Transportation (U.S. DOT) four-factor LEP analysis which considers the following factors:

- 1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter an MCTC program or activity.
- 2. The frequency with which LEP persons encounter MCTC programs or activities.
- 3. The nature and importance of programs, activities or services provided by MCTC to the LEP population.
- 4. The resources available to MCTC and overall costs to provide LEP assistance.

A summary of the results of the MCTC four-factor analysis follows.

#### **Four-Factor Analysis**

- 1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a MCTC program, activity, or service.
  - In review of the 2015 U.S. Census Language Survey Report and determined that 1094 persons in Modoc County [12.5 % of the population] speak a language other than English. In Modoc County, 498 persons [45.5%] indicate having limited English proficiency; that is, they speak English "not very well" while 596 speak English "very well."
  - In Modoc County, of those persons with limited English proficiency, 906 (10.3% of the total population) speak Spanish; the remaining 188 respondents speak approximately 33 different languages, each accounting for less than 1.6% of the population.
- 2. The frequency with which LEP persons encounter MCTC programs or activities.
  - MCTC assessed the frequency with which staff have, or could have, contact with LEP persons. This includes documenting phone inquiries for requests for interpreters and translated documents. MCTC staff have stated they recall having none or just 1 or 2 calls

where an interpreter was needed. Based on this information MCTC will continue to schedule appointments with an interpretation service as needed. MCTC works with local community service agencies having high LEP person traffic and ensure that language assistance information is posted in areas such as buses website and MCTC office.

3. The nature and importance of programs, activities or services provided by MCTC to the LEP population.

The largest geographic concentration of LEP individuals in the MCTC service area is Spanish. The 2010 Census indicates that 86.7% of Modoc residents over 5 years of age speak only English with 13.3% (1,205 people) speaking a language other than English of which 11.8% (1069 people) speak Spanish. 380, or 4.2%, of Spanish speaking residents noted that they speak English less than "very well." MCTC planning documents, meetings, workshops, etc., are available to the LEP and public.

MCTC would most likely encounter LEP individuals at the MCTC office where community outreach events and posters are displayed relating to transportation planning activities.

4. Assessment of the resources available to MCTC and overall costs to provide LEP assistance.

MCTC assessed its available resources that could be used for providing LEP assistance, including determining the cost of a professional interpreter and translation service on an asneeded basis, which of its documents would be the most valuable to be translated if the need should arise, and taking an inventory of available organizations that MCTC could partner with for outreach and translation efforts. The amount of staff that might be needed was also considered. See Attachment E-1 for a summary. Based on the four-factor analysis, MCTC developed its LEP Plan as outlined in the following section.

#### Limited English Proficiency (LEP) Plan Outline

How MCTC and staff may identify an LEP person who needs language assistance:

- 1. Examine records to see if requests for language assistance have been received in the past, either at meetings or over the phone, to determine whether language assistance might be needed at future events or meetings.
- 2. Have staff greet participants as they arrive to MCTC sponsored events. By informally engaging participants in conversation, it is possible to gauge each attendee's ability to speak and understand English.
- Have Census Bureau Language Identification flashcards available at MCTC meetings.
   This will assist MCTC in identifying language assistance needs for future events and meetings.
- 4. Have Census Bureau Language Identification flashcards available at the office to assist staff in identifying specific language assistance needs of customers. If such individuals are encountered, staff will be instructed to try to obtain contact information to give to MCTC management staff for follow-up.
- 5. MCTC staff will be surveyed on their experience concerning any contacts with LEP persons during the previous year.

#### Language Assistance Measures

There are numerous language assistance measures available to LEP persons, including both oral and written language services. There are also various ways in which MCTC staff responds to LEP persons, whether in person, by phone or in writing.

- a. Provide Spanish-speaking interpreter by appointment at the office.
- b. Utilize cell phone language translation applications.
- Network with local human service organizations that provide services to LEP individuals and seek opportunities to provide information on MCTC programs and services;
- d. Placement of statements in notices and publications that interpreter services are available for these meetings, with seven (7) days advance notice;
- e. Survey bus drivers and other staff annually on their experience concerning any contacts with LEP persons during the previous year;
- f. Post MCTC's Title VI Program and LEP Plan on the agency website, www.modoctransportation.com, and at the office;
- g. Provide travel training to LEP persons with the assistance of bilingual staff; and
- h. When an interpreter is needed, for a language other than Spanish, in person or on the telephone, staff will utilize a professional interpreter service.

#### **Staff Training**

The following training has been and continues to be provided to MCTC staff:

- 1. Information on the MCTC Title VI Procedures and LEP responsibilities (ongoing).
- 2. Description of language assistance services offered to the public (ongoing)
- 3. How to handle a potential Title VI / LEP complaint (ongoing)

#### **Outreach Techniques**

To ensure that LEP individuals are aware of MCTC's language assistance measures, MCTC provides the following:

- a. Spanish language contact information, phone, and email is posted on the MCTC website home page, at the office, and on planning documents.
- b. Bilingual staff available for in-person or phone customer service at the MCTC office by appointment.

Additionally, when staff prepares a document or schedules a meeting, for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers and agendas can be provided upon request. Notices are posted in the following locations:

- a. MCTC office
- b. Alturas City Hall
- c. Modoc County Courthouse
- d. MCTC website

Such notices may also be posted or announced with local stakeholders and community centers. Interpreters will be provided and made available as needed.

#### Monitoring and Updating the LEP Plan

MCTC will update the LEP plan as required by U.S. DOT. At a minimum, the plan will be reviewed and updated every three (3) years in conjunction with the Title VI submission, when data from the 2020 U.S. Census is available, or when it is clear that higher concentrations of LEP individuals are present in the MCTC service area. Updates will include the following:

- a. The number of documented LEP person contacts encountered annually
- b. How the needs of LEP persons have been addressed
- c. Determination of the current LEP population in the service area
- d. Determination as to whether the need for translation services has changed
- e. Determine whether local language assistance programs and funding have been effective and sufficient to meet any needs
- f. Determine whether MCTC has fully complied with the goals of the LEP Plan
- g. Determine whether complaints have been received concerning MCTC's failure to meet the needs of LEP individuals

#### Dissemination of the LFP Plan

### Public Participation Plan

#### Summary of Public Participation Efforts

Over the last reporting period, MCTC conducted the following public outreach and involvement activities:

- Main Street Design Committee Outreach
- MCTC meetings
- 2019 Regional Transportation Plan Workshop

#### Public Meetings and Outreach

The MCTC Board Meetings are regularly scheduled public meetings that are conducted on the first Tuesday of February, April, June, August, October, and December annually. All timetables and public meeting information are available on the MCTC website prior to the meeting. Special Arrangements for "free" transportation to and from MCTC meetings will be provided to elderly, disabled, and persons with limited means, within 10 miles of meeting location and with 48-hour advance notice. In addition to the MCTC public meetings, special events are noticed in the local newspaper and by posting flyers in the office, at the Modoc County Courthouse, Alturas City Hall, at our local grocery stores, and on the MCTC website.

MCTC contacts a bilingual social service employee that provides translation for Spanish-speaking customers. Bilingual assistance is utilized in outreach programs when needed and appropriate.
